

JEAN DE DIEU KWIZERA

VIRTUAL ASSISTANT | IT SUPPORT & DIGITAL OPERATIONS

Rwanda | Remote-ready | Available for freelance and contract work
kjado250@gmail.com | +250 789 759 248 | <https://my-portfolio-tawny-six-20.vercel.app>

PROFESSIONAL SUMMARY

I help businesses save time by managing their digital operations, research, customer communication, documents, and repetitive tasks using modern productivity and AI tools. I bring dependable administrative support, clear communication, and practical IT knowledge to remote teams that need organized work and consistent follow-through.

EXPERIENCE

Virtual Assistant | Independent / Remote 1 year experience

- " Manage email inboxes, calendar scheduling, follow-ups, travel arrangements, and booking coordination.
- " Conduct online research and lead generation to identify prospects, markets, and useful business information.
- " Complete accurate data entry and maintain Excel, Google Sheets, documents, and digital files.
- " Support customer communication, CRM updates, appointment coordination, and routine reporting.
- " Use AI tools and workflow automation to reduce repetitive tasks and improve day-to-day efficiency.
- " Provide administrative support with a professional, responsive, and client-focused approach.
